## Ant Play - a cloud gaming platform that turns any smart device into a gaming PC

Oct 19, 2021

New Delhi (Delhi) [India], October 19 (ANI/NewsVair):

' has launched first-of-its-own-kind, a cloud based gaming platform that turns any smart device into a gaming PC. The idea is to simplify the streaming of high-quality, immersive games on low, medium and even aging desktops and laptops.

- \* Now customers can subscribe to the service and help change the landscape of gaming in India
- \* Choose from two different configurations with subscriptions starting from just Rs. 999
- \* Run high end PC games even on archaic desktops, laptops or even mobile devices
- \* A complete heavy duty cloud PC solution for desktop experience

Ant Play aims to make high end, fast paced gaming more accessible via leveraging cloud services, Ant Play makes it easy to stream high-quality, immersive games on low, medium and even aging desktops and laptops. Players can enjoy Ant Play on their favorite devices without lengthy downloads or updates, expensive hardware or complicated configuration. It gives the ability to play at FHD, 60fps, a latency of 10-20 ms, and all of it with a connectivity currently found in most homes between 15Mb/s to 50Mb/s.

"Ant Play is new and promising software designed to create easy access to play great games on the devices customers already own and love. The users will be benefited with the best configuration at the minimum subscription price," said Himanshu Jain, Founder, Ant Play.
